

Attestation E1-508-1/2013

Herewith it is confirmed that in the first half of 2013 a regular supervision of the building product

particleboard, recipe: 1, laminated

technical class: EN 312, P2; DIBt 100, E1

thickness range: ≤ 40 mm

product name: **EURODEKOR E1 P2**

manufactured by

Fritz EGGER GmbH & Co. OG Holzwerkstoffe
Tiroler Str. 16
3105 Unterradlberg
Austria

complies with the emission class E1, and that

Fraunhofer-Institute for Wood Research

Wilhelm-Klauditz-Institut WKI
Bienroder Weg 54 E, 38108 Braunschweig, Germany

according to supervision contract no. 493 dated 20 December 2006 was carried out. It was found, that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation confirms the validity of E1-Certification No. 508 and is part of the evaluation report. The continuous external supervision of factory production control shall take place twice a year.
